

ICONOGRAPHY OF THE NATIVITY OF CHRIST

in Art Through the Ages

As Christmas approaches, our thoughts turn to the Incarnation. Over the centuries, changing artistic depictions of this great Christian mystery express a growing awareness of God's presence among us. Fr. Nicolai will highlight how artistic images reveal the meaning of the Nativity.

Fr. Eric Nicolai was ordained a priest of the Prelature of Opus Dei in 1994. He received a B.A. from the McGill University, a M.A. in art history from Laval University, and a Ph. D. in Theology from the Pontifical University of the Holy Cross in Rome. He is currently chaplain at Ernescliff College
